Continuing Education

The University of Mississippi School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This meeting has been accredited for up to 10 contact hours (1.0 CEU) for pharmacists by the University of Mississippi School of Pharmacy, Division of Pharmacy Professional Development. CE credit claiming will occur electronically. Pharmacists will need an NABP e-profile number from the National Association of Boards of Pharmacy to receive CE credit. Participants should provide these numbers upon signing in and when completing post-presentation evaluations.

Target Audience: Pharmacists are the target audience.

Conflict of Interest: All speakers will disclose affiliations or conflicts of interest at the beginning of their respective presentations.

Join us next year! MSHP Annual Meeting @ The Westin Jackson, July 22-24, 2021

MSHP Virtual Annual Meeting

July 23 and 24, 2020

Thursday, July 23, 2020

8:30 – 9:30 am

Implementation of Comprehensive, Pharmacy-led, Transitions of Care Services at a Community Hospital: Lessons Learned

Trey Crumby, PharmD, Anastasia Jenkins, PharmD

ACPE: 0032-9999-20-039-L04-P 1.0 contact hour (0.1 ceu)

A Knowledge-based continuing education activity

Target audience: Pharmacists

Objectives:

1. List patient outcomes for various strategies managing patient care transitions into, within, and out of an inpatient care facility.
2. Discuss ideal roles for pharmacists as presented in the literature for managing patient care transitions.
3. Identify strategies to extend pharmacy department presence in the care transitions process.
4. Describe one facility's experience in developing an outpatient pharmacy program in order to more thoroughly participate in the discharge process.

9:45 – 10:45 am

No Stewardship Pharmacist, No Problem!

Katie Schipper, PharmD, BCCCP

ACPE: 0032-9999-20-040-L01-P 1.0 contact hour (0.1 ceu)

A Knowledge-based continuing education activity

Target audience: Pharmacists

Objectives:

1. Describe antimicrobial stewardship requirements for hospitals.
2. Discuss ways to meet antimicrobial stewardship requirements for hospitals.
3. Evaluate ways to implement stewardship activities in hospitals without dedicated stewardship personnel.

11:00 am – 12:00 pm

Opioid Utilization Pearls

Thomas Webb, PharmD, BCPS

ACPE: 0032-9999-20-041-L08-P 1.0 contact hour (0.1 ceu)

An Application-based continuing education activity

Target audience: Pharmacists

Objectives:

1. Discuss risks of opioid agents used to treat pain.
2. Select an appropriate agent for treatment of opioid use disorder.
3. Assess if a patient would benefit from having access to a naloxone product.
4. Develop a treatment plan for resolving opioid-induced constipation.

1:30 – 2:30 pm

NMMC Specialty Pharmacy: Our Journey

Amanda Pitts Summers, PharmD

ACPE: 0032-9999-20-042-L04-P 1.0 contact hour (0.1 ceu)

A Knowledge-based continuing education activity

Target audience: Pharmacists

Objectives:

1. Discuss the basic process in developing a specialty pharmacy service.
2. Outline the process of specialty pharmacy accreditation.
3. Discuss patient care pearls within the specialty pharmacy setting.

2:45 – 3:45 pm

The Pharmacists Primer for OTC Treatment Options for Common Skin Diseases

Robert T. Brodell, MD, FAAD

ACPE: 00932-9999-20-043-L01-P 1.0 contact hour (0.1 ceu)

A Knowledge-based continuing education activity

Target audience: Pharmacists

Objectives:

1. Discuss the nature of Category 1 GRASE ingredients (Generally Recognized as Safe and Effective)
2. Summarize effective advice for treatment of common skin conditions that can be treated effectively over the counter.

Friday, July 24, 2020

8:30 – 9:30 am

Consultant Pharmacy Law Update 2020

Randy Pittman, PharmD

ACPE: 0032-9999-20-044-L03-P 1.0 contact hour (0.1 ceu)

A Knowledge-based continuing education activity

Target audience: Pharmacists

Objectives:

1. Discuss updated CMS Mega Rule requirements for long-term care.
2. List current CASPER data from CMS related to psychotropic medication use in long-term care.
3. Discuss current issues related to consultant pharmacy practice.

9:45 – 10:45 am

The Cost of Caring: Recognizing Compassion Fatigue and Building Resilience

Lindsey Lepard, PharmD, BCPPS

ACPE: 0032-9999-20-045-L04-P 1.0 contact hour (0.1 ceu)

A Knowledge-based continuing education activity

Target audience: Pharmacists

Objectives:

1. Define compassion fatigue and who is at risk.
2. Identify the signs and symptoms of compassion fatigue.
3. Describe methods to manage compassion fatigue.

11:00 am – 12:00 pm

ASHP Opioid Task Force: Outcomes and Actions

David Chen, RPh, MBA

ACPE: 0032-9999-20-046-L08-P 1.0 contact hour (0.1 ceu)

A Knowledge-based continuing education activity

Target audience: Pharmacists

Objectives:

1. Discuss the opioid epidemic in the United States.
2. Describe the outcomes of the ASHP Opioid Task Force and its application to pharmacy practice.
3. Compare how pharmacists are addressing the opioid epidemic and opportunities to improve patient care.

1:30 – 2:30 pm

An Update on Medications, Equipment, and Services Available Over the Counter and at Retail Pharmacies

Shanna Whitwell, PharmD

ACPE: 0032-9999-20-047-L04-P 1.0 contact hour (0.1 ceu)

A Knowledge-based continuing education activity

Target audience: Pharmacists

Objectives:

1. Identify medications that are now available over the counter.
2. List equipment and updates to products that are available without a prescription.
3. Discuss tests and services that can be provided at a retail pharmacy.

2:45 – 3:45 pm

The Role of Psychedelic Drugs and Kratom in Mental Illness and Addiction

Katie S. Collier, PharmD, BCPS and Grant H. Smith, PharmD

ACPE: 0032-9999-20-048-L01-P 1.0 contact hour (0.1 ceu)

A Knowledge-based continuing education activity

Target audience: Pharmacists

Objectives:

1. Discuss the history, pharmacology, and medical literature of selected psychedelic drugs and Kratom.
2. Summarize the laws and regulations of cannabis and Kratom.
3. Discuss drug policies and the implications of drug prohibition

The University of Mississippi School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Upon successful completion of this activity (registering attendance of session in full and completion of a post-program evaluation), seminar registrants will have continuing pharmacy education credit posted to their MyCPE Monitor (www.mycpemonitor.net) within 60 days of the program date. This session has been accredited for up to 10 contact hours (1.0 ceu) by the University of Mississippi School of Pharmacy, Division of Pharmacy Professional Development
